Delivery java applets and written documentation in pdf format

Team John Franco and Ethan Link

Assessment The applets provide the means for experimentation. Questions are asked in the

documentation that help with the set up of experiments. The ideas that learners

come up with is evidence that the module was successful.

Workflow No particular schedule was established

Environment All materials are contained in a single jar file. The jar file can be run on any

computer where java version 14 or higher and some pdf reader such as acroread

or evince are available. The jar file may be executed in the cyber range or

learners may download the jar file (which is considered to be an executable file)

and run it on their personal computers.
